

Justin and Trinity lived BIG! We all remember Trinity's pine knot bonfires. And how many of you went to Justin's BIG BANG fireworks party?

Trinity and Justin loved even BIGGER – we all fitted in their hearts. Wherever they went they added to their growing circle of friends and family. They quickly turned strangers into friends.

Today is about sharing and storing those memories. Please share whatever you remember.

We want to say a special “thank you” to the ushers and pallbearers:

Trinity Ryan (PeeWee) Martin and Justin William Reeves
August 20, 1988 September 22, 1988
Cousins by Blood ~~ Brothers by Heart

We came into the world together.
Most days we broke bread together
(sometimes we broke other things)
Saturday, September 27, 2008 we worked together.
After work we rode home together.
It is just that we rode to a different Home than you expected.
We love each and every one of you.
We'll be planning a big party for when you get Home.

Love, Justin & Pee Wee

Don't let this throw you. You trust God don't you? Trust me. There is plenty of room for you in my Father's home. If that weren't so, would I have told you that I'm on my way to get a room ready for you? And if I'm on my way to get your room ready, I'll come back and get you so you can live where I live. - Jesus (John 14 ~ The Message)

You don't have to wait for the End. I am, right now, Resurrection and Life. The one who believes in me, even though he dies, will live. And everyone who lives believing in me does not ultimately die at all.

--Jesus (John 11 ~ The Message)

Remembering their horse play at the creek reminds us of another bunch of young men who did a lot of fishing together...

They pushed back from the table
To listen to His words,
His secret plan before He had to go.
It's not complicated.
Don't need a lot of rules,
This is all you'll need to know.

Loving God, loving each other,
Making music with my friends,
Loving God, loving each other
And the music never ends.

We tend to make it harder,
Build steeples out of stone.
Fill books with explanations of The Way,
But if we'd stop and listen
And break a little bread,
We would hear the Master say,

Loving God, loving each other,
Making music with my friends,
Loving God, loving each other
And the music never ends.
