

Pony Bead Snowman

Included in your bag: 23 black, 4 red, 1 orange, 15 green, and 30 white beads, 2 yards black lace

Fold your lace in half and tie a knot to make a loop. Tape the loop onto a flat surface.

Place beads on one of the laces (pattern is on reverse side of instructions). Feed the other lace through the opposite end of the beads. Pull tight but not where the beads won't lay straight.

To make the scarf, place 1 red bead onto both laces- the laces should go in the same side of the bead. Pull tight. On the top lace, place 2 green beads and 1 red. Loop the lace around the last bead then tie a knot to secure. Cut excess lace. On the bottom lace, add 3 green beads and 1 red. Secure and cut excess lace.
