- Blankenship moved and Harper seconded BPL participating in the next available surplus materials auction. The motion carried unanimously.
- Chesnutt relayed that a Cooperative Endeavor Agreement between BPL and the Beauregard Parish School Board was signed into effect on Oct 1, providing all BPSB students with a digital access student (BPL) library card. This card will allow students to access any digital resource BPL offers. The first set of accounts have been created and now instructional and promotional materials are in production to send to the schools / students.
- Chesnutt noted that the library continues to require anyone over the age of 2 to wear a face mask when inside the library, even though push-back for this policy is increasing. Those who cannot or will not wear a mask are offered use of curbside and digital services. The board indicated agreement with this procedure, as the number of COVID cases seems to be on the rise again and this course of action offers the greatest protection to our staff and patrons alike. Chesnutt noted that the library is slowly returning to in-person programming such as limited occupancy story-time and encouraging social distancing.
- Chesnutt reviewed recent changes in personnel and discussed outreach and promotional endeavors from the past quarter, year-to-date budget information, and provided circulation and statistical information.
- With no other business to discuss, Poe moved and Blankenship seconded adjourning the meeting. The motion passed unanimously at 6:16 PM.

Respectfully submitted,
 / s/ Erin N. Chesnutt,
 Secretary to the Board
